

Church Family,

We wanted to address a recent Executive Order from Washington Governor Inslee. This order and guidance require wearing face masks while in public, both indoors and outdoors when you are unable to maintain six feet social distancing. Be aware that violating the order “for individuals is a misdemeanor, punishable by up to 90 days in jail and up to a \$1000 fine.” This order is effective this coming Friday June 26th (refer to the attachment for further details).

Here is our response:

- To comply with that order, we are asking everyone attending FBC to have a face mask. If you need a mask, one will be provided at the door.
- You are free to use a mask (FBC provided or provided personally) at any point.
- We will not in any way discourage you from using a face mask.
- We ask that you exercise good judgment with face mask use.
- If you **are** able to maintain six-foot social distance, mask use is at your individual discretion.

We as a leadership team desire to care for you by making effort to not hinder the participation in corporate worship. We look forward to our time of worship and fellowship this coming Sunday.

If you have any questions or concerns, please contact a member of the Deacon Board.

In Him,

FBC Deacon Board
